Dear ~~Admiral~~ Turner:

We have reviewed your plan to transfer \$45,500 from the Intelligence Community Staff to the Department of Justice to establish secure facilities for the new Surveillance Court.

Although the Committee did not envision that funds authorized for the Intelligence Community Staff would be utilized specifically for this purpose, we recognize that one of the underlying considerations for these facilities is that they satisfy intelligence community security practices and standards established by the Director of Central Intelligence to protect intelligence sources and methods from unauthorized disclosure.

We assume, therefore, that this action is being accomplished under the Economy Act as a service of common concern, and have no objection to the handling of this transaction in that manner.

Sincerely,
